

Contents of Subliminal Track With "I am..." Affirmations

(Sample)

I am strong

I am confident

I am powerful

I am a miracle of life

I am created in the image of The Creator

I am a creator and I was given absolute free will by The Creator.

I am a beautiful being

I deserve everything that I wish to create

I trust myself

I trust my intuition

I am allowing all good things into my life with an open heart

I love myself with the same passion as I love a lover

I am giving myself permission to be very successful

I love to fulfill my heart's desires

I am following my heart with confidence and excitement

I am always living the present moment 100%, to the fullest, and with an open happy heart

I am very grateful for all the kindness and love that's around me

I love and adore the in-tune-with-God precious innocent vulnerable beautiful little child in me

I am having more fun with life with every breath I take

I am finding things get easier for me every day

I love myself more every day

I really love it when I do my very best for me and for others

I expect the best and I attract it easily

I approve of me, I love me just the way I am

I am becoming more free to be me with every breath

I am becoming more confident with each breath I take

I find myself more amazing and beautiful with every breath

I give myself permission to really shine the way I always wanted

I am really shining and will shine more with each breath

I give myself permission to be truly happy

I am truly happy and will become happier with every breath...
